

Good Morning Everybody!

On this occasion, please allow me to introduce myself. My name is satria wahyu ismail. I am the four child in my family and I have 4 other siblings. I was born in Poncowati, January 17<sup>th</sup> 2002. I am currently studying at STT TERPADU NURUL FIKR, My ID Number 0110220239. I am from the informatics Engineering study program. I currently live in Jalan Kebon nanas, Tangerang City. My hobbi is play online game and watching anime, because can be run when there is no work. My favourit part about English is reading even though I am not fluent in reading English but I want to be able to speak English, Hopefully in this lesson I hope to read with good grammar because honestly English is a language that is indeed difficult to pronounce and hard to understand.
